The above project has been approved with the following conditions:

- An amount of Rs. 50.00 lakhs for creating seed processing and seed production infrastructures as well as storage of seed for each seed hub at SAUs/KVK/ICAR institutes is allowed during 2016-17.
- An amount of Rs. 100 lakhs for each seed hubs at SAUs/KVK/ICAR institutes is allowed as a revolving fund to meet out the various expenses for production, procurement and processing of seeds during 2016-17 and 2017-18.
- Revolving fund will be recouped fully after every season to maintain sustainability of funds
- A separate bank account would be opened by KVK/SAU/ICAR institute for each seed hub.
- The revenue generated from the sale of seeds, non-seed etc. should be ploughed back in the account of revolving fund in each year.
- Indian Institute of Pulses Research (IIPR), Kanpur will act as a Nodal Agency for implementation of project on creation of seed hub at KVKs/SAUs/ICAR institutes. Funds shall be released to IIPR, Kanpur. After that, IIPR, kanpur shall disburse fund to each seed hubs at SAUs/KVK/ICAR institutes.
- The varieties of various pulses to be included in seed production programme should not older than 10 years.
- IIPR-Kanpur will submit report about the production of seed of pulses at each seed hub in each season i.e. Kharif, Rabi and Summer to Crops Division and Seed Division of DAC & FW, New Delhi.
- IIPR-Kanpur will monitor and provide technical support for seed production of pulses at each seed hub.
- SAUs/ICAR institutes in each state will share the seed production of pulses with the State Department of Agriculture and State Seed Corporation.
- IIPR-Kanpur will analyze the seed requirement of pulses particularly for north-eastern states and eastern states and make necessary arrangement of quality seeds of pulses for these regions.
- After completion of the project, IIPR-Kanpur will take responsibility that revolving fund at each seed hub created under the project is to be utilized for seed production of pulses only. The seed production of pulses at each seed hub should be continue in sustainable manner to meet requirement of quality seed of pulses and submit the report about the seed production of pulses by each seed hub in each season.
- IIPR-Kanpur should ensure that the funds (infrastructure and revolving fund) for the each seed hub may be transferred in the account opened for seed hub only.
- IIPR-Kanpur will transfer allotted money for each seed hub through RTGS/bank transfer (electronically only) within seven days after amount received from DAC&FW.
- Funds for the creation of infrastructure should be released within 7 days after amount received from DAC&FW and remaining amount (Second installment) should be released after utilization of amount of first installment.
- IIPP-Kanpur will furnish Audit utilization certificate of the project.

The above mentioned term and conditions are applicable for already approved 100 seeds hubs also.
